## **SIGNIFICANT ELECTRONIC EVIDENCE AND FORENSIC ACCOUNTING ENGAGEMENTS**

Designated as a Special Investigator for the Grand Jury of McHenry County, Illinois assisting in the prosecution of an embezzlement and money-laundering scheme.

Consultant to an outpatient healthcare facility in an internal investigation of management company's unauthorized use of company resources.

Consultant to a large insurance company investigating the violation of a non-compete agreement by a former executive and a theft of corporate secrets by former employees.

Consultant to a major law firm providing assistance with electronic discovery requests.

Consultant to a major pharmaceutical company in an employee embezzlement scheme.

Consultant to a State Agency in an internal investigation regarding an employee violation of inappropriate computer usage policy.

Expert Witness in an online defamation case Marchese V. Dobry (00-CV-5606).

Consultant to privately held manufacturing firm in the investigation of employee embezzlement by one of its senior accountants. Investigation found over \$4,000,000 in cash receipts removed from the business for personal use over a six-year period.

Conducted a broad range of electronic evidence investigations ranging from theft of intellectual property to employee violations of computer usage policies.

Consultant to a State Gaming Control Board assisting in the investigation of a potential casino licensee's financial affairs. The investigation discovered numerous violations of federal and state laws that led to the denial of the license. Results were turned over to federal law enforcement for further prosecution.

Consultant to a State Attorney General's office assisting in prosecution of commercial bribery, narcotics, money laundering, tax evasion and official corruption cases.
