

Craig...on behalf of all the FIRMA family, please accept our grateful and heartfelt thanks for participating in our 25th Anniversary Conference. Your Wednesday Breakout was well-received and just perfect - as always. You did great.

Please also know that you made this our best conference ever. You gave us another great milestone.

Please call on me and FIRMA at any time. I am so appreciative of your friendship and commitment to FIRMA. You make us better and significant.

With warmest thanks and regards, HALE
